The Contracting Authority does, however, reserve the right to request this evidence sooner if it is deemed necessary to ensure the proper conduct of the procurement procedure. Tenderers must note that if they are unable to provide valid supporting evidence in a timely manner then the Tenderer's preferred bidder status will be revoked and a contract will not be awarded to said Tenderer (for Open Procedure procurements) or you will no longer be invited to tender (for Restricted Procedure procurements).

9. The questions may use a number of different terms to refer to the entity that is submitting a tender response e.g. supplier, company, tenderer, bidder, organisation, economic operator etc. Although the terms are different, they have the same meaning and are used interchangeably, unless stated otherwise.
